TERMS OF SALE

1. This is a public auction and mail bid sale conducted by a licensed and bonded auctioneer. The auctioneer may open bidding at a reasonable price or each lot usually 5 or 10% above the second highest mail bid, and may set bidding increments as he deems necessary. The auctioneer's decisions are final. In the event of a cataloging error the auctioneer will announce the correction and the lot will be sold subject to that correction. All lots will be sold in numerical sequence, bids must be for whole lots as no lots will be broken up.

2. Lots will be sold to the highest with a mail bid taking precedence over an identical floor bid. In case of identical mail bids the earliest mail bid received will be awarded the lot. Mail bids will be treated as final, wherever possible, depending on other mail bids and on floor bidding. Lots will be purchased for bidders for less than the submitted bid. McKee Coins reserves the right to refuse any bid not felt to be made in good faith. Bids for a small fraction of the catalog estimates may or may not be honored.

3. Grading, which is subjective, and other adjectival descriptions are the opinion of the cataloguer and no warranty, expressed or implied, is made. Some opinions may and do vary among experts. No lots may be returned by mail bidders without advance written permission and any request must be made within 3 days of receipt of the coins. Any coin removed from the original holder is considered sold.

4. All sales are strictly for cash in United States dollars, drawn on a United States bank or via United States World Money order. Anyone wishing to purchase lots with the use of a Mastercard or Visa will be charged a 6% handling fee in addition to sales tax, postage, and invoice. Credit cards will only be accepted on mail bids.

5. Floor bidders are expected to pay for and pick up their lots the day of the auction.

6. Shipping, handling, insurance, and registration charges will be added to invoices delivered by mail. Mail bidders will receive an invoice detailing their successful bids and shipping charges. Payment must be made within five days of receipt of notification and lots will only be mailed after payment in full has been made.

7. Bids made on behalf of corporations must be personally guaranteed by one or more of the principals. Each bidder is responsible for his bids; he cannot claim to act for a third party.

8. A financial charge of 1 1/2% per month (18% per Annum) will be added to all invoices unpaid after 15 days from the date of the auction. There also will be a one time charge of \$10 for items held for over thirty days to cover clerking and filing fees. The buyer is responsible for attorney and other judicial fees and expenses involved in collection of outstanding invoices.

9. Bidders unknown to McKee Coins must establish references prior to the auction, or deposit 25% of the bids submitted in the first sale. This deposit will be applied to the successful bids, with overage refunded and differences billed.

10. Foreign bidders are responsible for customs or other regulations. Errors in bidding are the sole responsibility of the bidder. Mail bidders should check their bid sheets carefully. The accompanying estimates are for general guidance only and are not limits or reserves, actual prices may exceed or be only a fraction of these estimates.

11. The numbering system and catalog values on general issues of U.S. currency have been borrowed from Robert Friedberg's reference on this matter. C.O.N. where used comes from various issues of the past year's Coin Dealer Newsletter bid prices. Other estimates are based on my personal experience and should prove to be a fairly accurate consensus of the market.

12. Iowa 4% Sales Tax will be added to all invoices unless the coins are shipped out of state or sold for resale to a dealer with a valid sales tax permit. Certain estates and conservatorships sales are exempt from tax.

13. No buyer's charge will be added so bid your full amount.

14. Bidding in this auction, whether in mail or in person, constitutes full acceptance by the bidder of the foregoing terms of the sale.
